

MANAGEMENT SYSTEM CERTIFICATE

Certificate No:
54325-2009-AQ-NOR-NA

Initial certification date:
09 September 1996

Valid:
26 June 2020 - 25 June 2023

This is to certify that the management system of

TESS as

Industrigata 8, 3414 Lierstranda, Norway
and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Management System standards:

ISO 9001:2015 / NS-EN ISO 3834-2:2006

This certificate is valid for the following scope:

Project management, concept development, engineering, assembly, installation, pressure testing and delivery of complete hydraulic systems for high- and low- pressure hoses/pipes, hose reels and fittings. Control system for condition monitoring of hose applications, installation and service (THM: TESS Hose Management).

Logistic solutions and delivery of hoses, pipes, components, MRO (Maintenance-Repair-Operation) products to land- and offshore based industry, including civil and public sector.

Production of assembled welded steel hoses with compensators and fittings, welded prefabricated pipes, tubes and other products.

Place and date:
Høvik, 19 June 2020

For the issuing office:
DNV GL - Business Assurance
Veritasveien 1, 1363 Høvik, Norway

Jøran Laukholm
Management Representative

Certificate No: 54325-2009-AQ-NOR-NA
Place and date: Høvik, 19 June 2020

Appendix to Certificate

TESS as

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
TESS as	Industrigata 8, 3414 Lierstranda, Norway	Project management, concept development, engineering, assembly, installation, pressure testing and delivery of complete hydraulic systems for high- and low- pressure hoses/pipes, hose reels and fittings. Control system for condition monitoring of hose applications, installation and service (THM: TESS Hose Management). Logistic solutions and delivery of hoses, pipes, components, MRO(maintenance-Repair-operation) products to land- and offshore based industry, including civil and public sector. Production of assembled welded steel hoses with compensators and fittings, welded prefabricated pipes, tubes and other products.
TESS Logistikk as	Industrigata 8, 3414 Lierstranda, Norway	Project management, concept development, engineering, assembly, installation, pressure testing and delivery of complete hydraulic systems for high- and low- pressure hoses/pipes, hose reels and fittings. Control system for condition monitoring of hose applications, installation and service (THM: TESS Hose Management). Logistic solutions and delivery of hoses, pipes, components, MRO(maintenance-Repair-operation) products to land- and offshore based industry, including civil and public sector. Production of assembled welded steel hoses with compensators and fittings, welded prefabricated pipes, tubes and other products. (Including NS-EN ISO 3834-2:2006).
TESS Subsea as	Industrigata 8, 3414 Lierstranda, Norway	Project management, concept development, engineering, assembly, installation, pressure testing and delivery of complete hydraulic systems for high- and low- pressure hoses/pipes, hose reels and fittings. (Excluding NS-EN ISO 3834-2:2006).
